Australian made with customisable lengths, colours and fittings, all SeatsPlus products are durable, reliable and long lasting. Made to survive the varied Australian climates, SeatsPlus has both timber and aluminium options to best support your needs and aesthetics.

With expertise in working with schools, councils, sporting clubs and recreational groups, SeatsPlus brings life to your outdoor areas. Working with your space and requirements, we are able to create custom solutions that suit your needs.

QUALITY

You are purchasing the best products the market has to offer. Our materials won't stain, crack, warp, rust or splinter. No sharp edges!

DURABILITY

Our benches and tables stand the test of time, even in the harshest environments. They are also vandal resistant.

USER FRIENDLY

Our range of seating and tables are lightweight, making them simple and cost-effective to install.

DELIVERY

We deliver Australia-wide and handle with care. Our years of experience means your order will arrive in the same great condition it left us.
